

IGNITE YOUR IDEA AND WIN A FYLA SC LASER!

At FYLA LASER we are pleased to announce our first prize contest!

We invite you to share with us your idea on a viable application for our FYLA SC supercontinuum laser by February 28, 2021. You can win a FYLA SC laser or one of a total of four 3,000 € vouchers, to be spent in any of our products.

This is an open contest. Any field of application, scientific research, industry, medical, etc., which can benefit from the use of our SC laser technology is welcomed.

It's your chance, amaze us!
